

Scope of Work

Client: [Client Name / Company] **Project:** [Project Name] **Prepared by:** [Your Name / Business Name]
Date: [Date] **Reference:** This Scope of Work is governed by the Service Agreement dated [Date].

Deliverables

#	Deliverable	Format / Scale	Definition of Done
1	[Deliverable]	[e.g., "12-page PDF document"]	[What must be true for this to count as complete]
2	[Deliverable]		
3	[Deliverable]		

Explicitly Out of Scope

The following are **not** included in this engagement:

- [Adjacent item 1]
- [Adjacent item 2]
- [Adjacent item 3]

Revisions

Each deliverable includes **[2]** rounds of revisions. Additional revision rounds are billed at [\$X/hour or via Change Order].

Timeline & Dependencies

Milestone	Target Date	Depends On
[Milestone 1]	[Date]	[What's needed from the client, e.g., "brand assets provided by kickoff"]
[Milestone 2]	[Date]	[Dependency]

Assumptions

This scope and price assume:

- [Assumption 1 — e.g., "a single primary point of contact for feedback"]
- [Assumption 2 — e.g., "existing brand assets are final and provided at kickoff"]

If an assumption proves false, scope and/or price will be revisited.

Change Process

Any request outside the deliverables above will be documented in writing via a Change Order — including added cost and timeline impact — and requires approval before work begins.
