Quote #: [Q-0001] **Date issued:** [Date] **Valid until:** [Date — 14 to 30 days out] **Prepared for:** [Client Name / Company] **Prepared by:** [Your Name]

Project Summary

[One or two sentences describing the work being quoted, in plain language.]

Estimated Line Items

Item	Description	Estimated Qty / Days	Rate	Estimated Price
[Item 1]	[Short description]	[Qty]	[\$Rate]	[\$Amount]
[Item 2]	[Short description]	[Qty]	[\$Rate]	[\$Amount]
[Item 3]	[Short description]	[Qty]	[\$Rate]	[\$Amount]

Estimated total: **[\$Amount] — [\$Amount]** (Give a range or a "starting at" figure unless scope is fully locked.)

Assumptions This Quote Is Based On

- [Assumption 1 — e.g., approximate scope as discussed]
- [Assumption 2 — e.g., number of revision rounds]
- [Assumption 3 — e.g., timeline / start date]

What's Not Included

[Short note naming anything explicitly excluded from this estimate.]

Validity & Next Step

This quote is valid through **[Date]**. Prices may change after this date to reflect updated availability or costs.

To move forward: [Reply to confirm and I'll send the full proposal / scope of work] **by [Date]**.

This is an estimate, not an invoice or a binding agreement. A confirmed project moves to a full Proposal or Scope of Work before work begins.
