

Project Completion Report

Client: [Client Name / Company] **Project:** [Project Name] **Prepared by:** [Your Name / Business Name]
Report date: [Date] **Reference:** Original Scope of Work dated [Date] **Engagement dates:** [Start Date] – [End Date]

Executive Summary

[2-3 sentences a busy reader with no other context could read and understand what was done and what it achieved. Example: "Over eight weeks, we redesigned and relaunched [Client]'s onboarding flow. Time-to-first-value dropped from 9 days to 2, and 30-day activation is up 22%."]

Original Objectives

Restated from the Scope of Work so results are measured against what was agreed, not what's convenient to report:

- [Objective 1]
- [Objective 2]
- [Objective 3]

Deliverables Completed

#	Deliverable	Status	Notes
1	[Deliverable]	✓ Complete	[Brief note]
2	[Deliverable]	✓ Complete	[Brief note]
3	[Deliverable]	[Complete / Partial — reason]	[Brief note]

Results & Impact

Metric	Before	After	Change
[Metric 1]	[Value]	[Value]	[+/- %]
[Metric 2]	[Value]	[Value]	[+/- %]
[Metric 3]	[Value]	[Value]	[+/- %]

[If metrics aren't yet measurable, note when they will be and how the client will know: "Conversion impact will be measurable after 30 days of traffic; I'll follow up with a short update on [date]."]

Challenges & How They Were Resolved

- **Challenge:** [What got in the way] **Resolution:** [What you did about it]
- **Challenge:** [What got in the way] **Resolution:** [What you did about it]

Recommendations & Next Steps

- [Recommendation 1 — e.g., a logical phase-two project]
- [Recommendation 2 — e.g., ongoing maintenance or monitoring]
- [Recommendation 3 — e.g., a process change for the client's team]

Appendix

- Final files / links: [Location]
 - Access handed back or transferred: [Details]
 - Related documents: Scope of Work ([Date]), Change Orders ([List, if any])
